

CLEANING SERVICE

Carpet cleaning (and more) made simple

We lead the industry in environmentally responsible cleaning, we've done our homework so you don't have to.

MFT National Cleaning Services was founded in 1989, becoming Canada's leading national specialty carpet service provider.

We are Canada's first nationally IICRC (Institute of Inspection Cleaning and Restoration Certification) and CRI (Carpet and Rug Institute) Certified service provider. With customized "Green" carpet maintenance programs, as well as 'on-demand restorative' options to ensure that your facility's carpet, walk-off matting and upholstery look their best while extending the products' lifecycle.

We have solutions for every facility's unique cleaning requirements.

For more than 30 years, we have been successfully serving commercial, retail, institutional, health care, extended care, and residential sectors.

Efficient

MFT best practices use significantly less water & energy to clean carpet than in traditional cleaning practices.

Innovative

MFT uses a proprietary line of Ecologo™ and CRI certified cleaning products created through years of solving unique cleaning challenges.

Sustainable

MFT strives to promote sustainability. This helps us lead the industry in eco-friendly cleaning practices and seek carpet recycling partners.

From carpets to post-construction, we have the solution to all your cleaning needs.

What we can do for you:

- Carpet restorative cleaning
- Resilient floors
- Fabric & leather furniture
- Maintenance programs
- Workstation panels & hard surfaces
- Post construction clean-ups
- Commercial kitchen & serveries
- Computers & telephones

The MFT Advantage
Because true value does not cost more
